SECTION B : Summary
[10 marks]

Read the passage and complete the following task.

It was just after 8.00 p.m on Saturday, 20th May 2011, I was walking along Jalan Manir, Kuala Terengganu. I was watching the traffic carefully, as I wanted to cross the road. When the road was clear, I crossed the road.

As I reached the pharmacy, I saw a motorcyclist suddenly turn into a bend at the junction where I was. He was speeding and it seemed that he appeared from nowhere. It was so sudden. As he sped through the curve, a lorry ran into his bike. It was terrible. The motorcyclist did not stop at the junction. The lorry driver must have pressed on his brakes to stop his vehicle as I heard the screeching sound. The lorry swerved to avoid the motorcycle. Although the lorry driver braked at once, he was unable to avoid the motorcyclist.

The motorcyclist was thrown out of the bike and he was unconscious. The lorry driver got down to help the motorcyclist. I went to give a helping hand too. Then I called the ambulance. While waiting for the ambulance to arrive, I saw several other passers-by, had come to help. It was indeed a terrible accident I had ever witnessed.
